Investments.

In making investments you naturally consider safety first, profits next. Be wary. The greater the gain the greater the risk. The slow way is surest. The Debenture Bonds of this Comerty within the city limits and are safe beyond the "shadow of a doubt." They pay 5 per cent interest per annum. They are issued in sums of \$100, \$500 and \$1,000, and require absolutely no attention whatever from the holders. If you are contemplating making an investment drop in and talk the mat-ter over with us.

We have Real Estate Notes for sale which not the purchasers full 6 per

-are drawn and kept at this Company's expense if it is named as Executor, Administrator or Trustee. One Me Ridget will be glad to talk this matter over with all con-templating making their will. A Trust Company, acting in the capacity of Executor or Trustee, enjoys many advantages over the individual executor that are too apparent to require mentioning.

Madrid, April 11.- Much excitement has been caused here by a dispatch to the effect that Japan has seized the Pelew Islands, a group of islands in the North Pacific, claimed to belong to Spain, 450 miles east of the Philippipe Islands, at the western extremity of the Caroline Archipelago. The islands are claimed by the Spaniards by the right of discovery. The governor of the Philippine Islands has sent a cable dispatch asking for reinforced ments, whether with the object of attacking

The Pelew Islands have about 10,000 inhabitants and are very fertile. Their situation be tween the Philippine Islands and the Caroline Islands, both Spanish colonies, is regarded as a sign that Japan intends to encroach on Spanish possessions in the Pacific. The affair may lead to grave difficulties between the two powers.
